Upcoming Changes in Filing Claims for Injuries at Work

As in the past, an employee must report any work-related injury to his/her supervisor. The injured employee's supervisor is responsible for filing a claim through the SSIF portal.

The State Self Insurance Fund has sent the following announcement:

The State Self Insurance Fund (SSIF) is excited to announce the launch of a new web portal to enter claims electronically. When you access the link below, you can complete the required fields and submit the claim. The attachment contains the information required to submit a claim electronically. After submitting the claim, you will receive a confirmation email (to the email provided in the web portal claim submission process) along with a claim number. The information you entered will go directly into SSIF's database allowing for a real-time submission of the claim which will benefit the injured employee and assist the staff authorizing/directing medical treatment and answering questions in general in a more timely manner for the injured employee. All other documentation, return to work slips, etc. should be emailed to wc1101a@ks.gov. There will be a transition period where SSIF accepts claims via paper, email, fax and web portal. Beginning November 1, 2017, SSIF will no longer accept mailed, faxed or emailed paper claim forms. All claims will need to be submitted through the SSIF web portal. If you have any questions, please contact SSIF at 785-296-2364 or via email at wc1101a@ks.gov.

You may access the SSIF portal through this link: <https://kansas.systemasoft.com/Sims/PortalNew.aspx?insurancelineid=1>.

If an employee suffers a life-threatening or limb-threatening injury at work, he/she should immediately be taken to the nearest Emergency Room. For less serious injuries, the employee should call/go to the Work Smart Clinic, located in the Hays Family Medicine Building, 2509 Canterbury, Hays, KS, phone 785-623-6270.

Additional information is available at www.fhsu.edu/physicalplant/environmental-and-safety/work-related-injuries/.

Tiger "Make a Difference" Project

Monday, October 16, to Friday, November 3

Make A Difference Day is one of the largest annual single-days of service nationwide. Volunteers from around the nation come together with a common mission: to improve the lives of others. Tigers and friends near and far, are encouraged to participate in our Tiger "Make a Difference" Project. Instead of one day, our project runs from Oct. 16th – Nov. 3rd, to allow individuals more of an opportunity to participate.

Tigers here and from across the globe are invited to work with a local organization or service project in their home community. Those conducting service are requested to [submit photos, number of hours worked and/or testimonials](#) about their experiences to the Alumni Association, which will then be shared socially with the Tiger family.

Submission deadline: Friday, Nov. 3. Visit our [Volunteer Resources](#) page to learn more about volunteer opportunities.

Here in Hays, the [FHSU Alumni Association](#) along with [Golden Belt Bank](#), [Tigers In Service](#), the [FHSU Student Government Association](#) and [Tiger Athletics](#) will be collecting items in support of the [USD 489 Hope Pantry](#).

The pantry, established in 2015, assists homeless families and families that are at-risk of being homeless by providing them with food, clothing and other items needed to support themselves when school is not in session, especially over the holiday breaks. Visit the [Hope Pantry information page](#) to learn more about the program as well as lists of items needed.

In support of this effort, on **Saturday, Oct. 28**, the official "Make a Difference Day," Tiger fans attending the **FHSU vs. Emporia State football game at 2 p.m.** are invited to bring one or more items (*non-perishable food, new clothing, hygiene projects*) or consider making a monetary donation to the Hope Pantry. Collection sites will be located at entry gates to Lewis Field Stadium. Those who contribute will receive a drawing ticket for an exclusive Tiger Tailgate Package, including a reserved tailgating spot for the 2018 football season along with a cooler and all of the gear you need for the perfect tailgate party experience! Prize package will be given away at halftime. Also, a few lucky attendees will be selected to participate in a halftime activity bringing further awareness to the cause.

Not able to attend the game? Collection boxes are located at the Robbins Center, One Tiger Place; inside the Memorial Union (near Starbucks), 600 Park St; and Golden Belt Bank, 1101 E 27th St, **from Oct. 16-Nov. 3.**

FHSU students are also encouraged to participate. A friendly competition among the student organizations is being implemented by the Student Government Association to see who can complete the most service hours during the project timeframe.

Special thanks is extended to Golden Belt Bank for sponsoring the Tiger "Make a Difference" Project. Thanks also to our partner organizations for assisting in the coordination of this special event.

Scope & Requirements Management

Tuesday & Wednesday, October 24 & 25; 9:00am to 4:00pm
Sternberg Museum

Managing scope on a project is one of the most difficult and demanding jobs of a project manager. Pinning down the project scope starts with a clear understanding of the needs and expectations of the key stakeholders. It involves more than just knowing what needs done. It also requires knowing what not to do and how to manage the changes that inevitably come up during a project.

In this Management Development Center Workshop, participants will work in teams to develop a project charter, gather requirements, write a scope statement and create a Work Breakdown Structure (WBS), as well as learn to manage scope once the work begins.

This workshop is facilitated by Christina House. Please view the full details on our website:

<http://www.fhsu.edu/cob/mdc/Scope-and-Requirements-Management/>.

Because we partner with the Wichita State University Center for Management Development, this workshop is not complimentary to FHSU employees. However, you or someone you know, can register online here:

<http://cmd.wichita.edu/Courses/scope-requirements-management-in-hays-kansas/>.

Contact Hannah Hilker at (785) 628-4121 or hehilker@fhsu.edu if you need assistance with registration.
